

Disciples Women 2020

The Disciples Women met in Indianapolis, Indiana in January 2020 for the Disciples Women Leadership Council. We had good fellowship. Our awesome speaker was Rev. R.Janae Pitts-Murdock from Light of the World Christian Church. This meeting was very productive with new officers elected. The next meeting will be held January 2021 virtual.

Due to the coronavirus, our lives have changed. But, we must prayerfully adapt, go forward and do the best we can and try to stay safe.

I am part of the Great River Region. In September 2020, the Disciples Women had their Retreat virtual. We were excited, a little scared, and it was a learning experience. Our guest speaker was Rev. R.Janae Pitts-Murdock from Light of the World Christian Church. We fellowship, we had communion and over all, it was great!

In November 2020, we had our Regional Assembly virtually. We had workshops, business sessions and the Disciples Women had evening fellowship with Rev. Dr. Christal Williams as our guest speaker.

The Disciples Women are looking forward to the next time we can come together again safely. It is our prayers that we will listen to the professionals, wear mask, keep our distance, wash our hand and most importantly pray for everyone.

Pernella Shortie, President
Disciples Women National Convocation
