

Women Disciples Report
National Convocation of the Christian Church
(Disciples of Christ)

November 15, 2019

The Disciples Women are looking forward to coming together with NAPAD and Obra Hispana at the National Convocation "It's Real" in July 2020.

On April 7, 2019, I attended and participated in the installation program of Rev. Marilyn Williams in Raleigh, North Carolina.

I would like to continue my quest to encourage and build relationships all over the United States. I will be traveling to Little Rock, AR to visit Mt. Sinai Christian Church on this fourth Sunday.

I am still trying to reach my financial goal of \$25,000 for the Disciples Women Endowment Fund for the National Convocation, with my home state raising \$5,000 of the \$25,000. We are on the way. My goal is to leave a legacy for all the young disciples women who will follow us.
